

## Message From Chapter President

### THE HARD HAT HERALD

Dear NAWIC Members,

There is no monthly event during August, which is our chapter 145 tradition; however, there is the NAWIC AMEC (Annual Meeting Education Conference) in San Antonio, TX this August. I look forward to seeing those of you who are attending this year.

On behalf of our current and incoming board I would like to inform you that our boards are implementing a few different strategies to increase our member participation this upcoming year, I encourage all of you to attend our events and you will find your experience and networking to be fruitful. Also, I have been working on our website facelift (board approved), which will be done within next two months so please pardon if you find yourself at a web page that is under construction while you are navigating.

The last chapters, 6 and 7 from 'Inside Commercial Construction MVPs' are "People are not shop drawings" and "Use the right side of your brain", illustrate that success is all about having a positive relationship with others and utilizing the creative side of your brain. Meet your Debbie Downer (i.e. be honest with yourself) that it can get you into trouble and discourage people from change. People who are right-brain dominant tend to be better experience managers by nature, meaning they are (1) "highly cognizant of others people's feelings and collective experience they are creating around them", and (2) "they are more likely to respond empathetically and take actions to ensure the highest possible harmonious state." I hope all of you ladies harness this gift and hope for the best of success for you and your career.

Have a wonderful remainder of the summer, when we return in the fall we will have our 9/21/16 Speaker Lizzie Woods/New Board Installation for Chapter 145 at Moshulu which is sponsored by Bittenbender Construction. We have a limited number of seats for this event, so register soon.

Hope to see you all there.

Best wishes to you all, and Cheers!

Piljo Yae

As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.

# NAWIC Scholarship Fundraising Event

A big thank you to everyone who helped to support Chapter 145's Scholarship Fund! We appreciate your contributions and are happy that you are working with us to continue supporting young women in their endeavors to be a part of the construction industry. A special thank you to **Helen Eck** for her generous donation to the 2015-2016 Scholarship Fund.

We are still in need of 40% to meet our goal of \$2,200 for this year's scholarship fund. Please visit <http://www.nawicphl.org/scholarship> to donate.

## SPONSORSHIP

NAWIC Chapter 145 is incredibly grateful to its sponsors. Without them, many of our events would not be possible! Should your company ever be interested in sponsoring an event (partially or completely) please contact any of your Chapter officers! Thank you for your continuing and generous support promoting Women in Construction!
