

As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.

Message From Philadelphia Chapter 145 Vice President

THE HARD HAT HERALD

Dear Members,

Happy New Year!

I hope everyone enjoyed 2015 because NAWIC Philadelphia Chapter has some great things in store for 2016! As you all know, we are growing and the sky is the limit but most importantly now is your chance to start creating your personal legacy via NAWIC Philadelphia Chapter. The next few events include:

- Joint Meeting with ASPE (American Society of Professional Estimators)
- 2016 Mentoring a Girl in Construction (MAGIC) Fundraiser

We are gearing up for some great networking events with industry peers as well as our MAGIC Camp Fundraiser. For those unfamiliar with Mentoring A Girl In Construction Camp (MAGIC) is free, week-long day camp for 7th to 12th grade girls to introduce them to a potential career in the construction industry. Many young girls are unaware of the possibility of a rewarding and financially beneficial career in the construction trades or related fields. MAGIC is designed to give them real hands-on experience.

So how can YOU start getting involved in 2016?

- Join a subcommittee of MAGIC Camp
- Help us plan for our upcoming events
- Become a member today!

We look forward to seeing you at our next event!

Your 2015-2016 Chapter 145 Vice President,

Angelina Perryman

Allison Calder

OLIVER FIRE PROTECTION & SECURITY

...she has enjoyed meeting the women that help pave the way in the industry

Upcoming Events

JOINT MEETING WITH ASPE

Join us for our annual joint meeting with ASPE at the Double Tree in Plymouth Meeting, PA.

Out Speaker will be Tracy Carver of the Contractors Plan. She will be presenting to us about prevailing wages and how to navigate them.

JAN. 20 2016, 5:30 PM

MAGIC CAMP FUNDRAISING EVENT

Help raise funds for NAWIC's annual MAGIC (Mentoring A Girl In Construction) Camp!

This event will be held at The Black Sheep Pub & Restaurant, located at 247 S. 17th Street, Philadelphia, PA 19103.

FEB. 17, 2016, 5:30 PM

Allison Calder is a designer at Oliver Fire Protection & Security in King of Prussia, PA. Oliver has been in business for almost 60 years and is the leading fire protection and security provider in the Mid-Atlantic Region. Her interest in fire protection stems from her many years as a volunteer fire fighter. Before working in the industry, Allison attended Wentworth Institute of Technology in Boston, MA where she received her Bachelor of Science in Architecture. She later went on to pursue her Associates Degree in Fire Protection Engineering from Delaware Technical Community College.

Allison is new to the Philadelphia area and is eager to get involved. This is her first year as a NAWIC member and she has enjoyed meeting the women that help pave the way in the industry. She is excited to get involved with the Chapter's youth outreach program and looks forward to introducing young women to the vast possibilities within the construction industry. Allison is thrilled to accept her nomination as one of the Chapter's Board of Directors which will be voted on at the January board meeting.

In addition, Allison is a member of the Society of Fire Protection Engineers' Delaware Valley Chapter. She currently resides in South Philadelphia and enjoys exploring the city by foot. On weekends, she likes to get away from the urban scenery to hike, bike, camp and rock climb.

NEW MEMBERS

Should you or anyone you know be interested in joining NAWIC please contact us via our Chapter website, www.nawicPHL.org !

Krista Brach

Denise Canuso

Diane Daily

Nicole Dress

Karen Fisco

Fern Gookin

Angelina Perryman

Laura Pizzuro

Ashley Poglese

Ann Rothman

MAGIC CAMP 2016

The next MAGIC Camp will be held June 27 - July 1, 2016.

MAGIC is free, week-long day camp for 7th to 12th grade girls to introduce them to a potential career in the construction industry. Many young girls are unaware of the possibility of a rewarding and financially beneficial career in the construction trades or related fields. MAGIC is designed to give them real hands-on experience. We continue to partner with several of the local trade unions to make this experience possible for young girls in Philadelphia.

The Philadelphia Chapter hosted the inaugural Camp for the mid-Atlantic Region in 2009 and has held four camps since then. 2016 will be our fifth camp!

Camper registration will be available by February 1, 2016
