

Message From Chapter President

THE HARD HAT HERALD

Dear NAWIC Members,

"The road to success is always under construction." – Lily Tomlin

Our theme from national this year is SUPPORT, ENCOURAGE, GROW and Chapter 145 is truly making great strides. We have great events planned for the rest of 2016 and early 2017 so please join us.

As Women In Construction (WIC) Week Chair, I would like to welcome you to share your local WIC experiences, tag our chapter in social media events, and make your mark on the construction industry.

The focus of WIC Week is to "highlight women as a viable component of the construction industry...and provide an occasion for NAWIC's thousands of members across the country to raise awareness of the opportunities available for women in the construction industry and to emphasize the growing role of women in the industry."

Here are a few ways you can make your impact with WIC Week:

1. Share our Chapter's events on your social media page with #PhillyWIC2017!
2. Spotlight the women in your organization and what they are doing in the industry.
3. Start ordering posters and pins and spread the word about WIC Week!

Visit <http://www.nawic.org/nawic/wicweek.asp> for more information.

We are excited and focused on building connections for our members and industry. Join us! We can't wait to see you at our next event!

Cheers!

Angelina Perryman (Chapter 145 Vice President)

As material for the construction of our building, I pledge the agility of my hands, the ability of my mind, and the integrity of my heart.

November Event

MAGIC (Mentoring A Girl In Construction) is a free one week construction intro program for 7th-12th grade high school girls (20-25 students). The objective is to introduce girls to potential careers in the construction industry. MAGIC is designed to give them real hands-on experience. We partner with several local trade unions and public and private businesses to make this experience possible for young girls in Philadelphia.

Please join us for a round table discussion and dinner Sponsored by the GBCA. As part of the discussion you will learn about the program, be part of the brainstorming process for the 2017 dates and events, discover what it takes to put the program on (funding and volunteer requirements), how to expand MAGIC program beyond one week, and find out how you can get involved!

Send via email to Dede Hughes, Exec. Vice President, at dedeh@nawic.org on or before the February 1st deadline. Any Candidate Profiles received after midnight on February 2nd will not be considered.**

Dede Hughes (NAWIC National Executive Vice President) announced her retirement effective December 31, 2017. Thank you Dede for all your endeavors with NAWIC.

Each October, Oliver Fire Protection & Security's employees join together to raise funds for a selected organization or charity. This year, Oliver chose two local organizations; NAWIC Chapter 145 MAGIC Camp and The Philadelphia Children's Foundation. Oliver employees planned a variety of activities throughout the month to raise money in support of these organizations. These activities included 50/50 raffles, "Penny Wars" and "Pie Wars". During the first two weeks, "Penny Wars" were a fun way to get departments engaged in friendly competition. Employees put pennies in their departments jar, one point was received for every penny. The idea was to put silver coins or bills in other departments jars to count as negative points. What a fun way to see departments join together to strategize! The last two weeks consisted of "Pie Wars". The Department Manager with the most money in their jar on the last day of the competition receives a pie in their face at their next corporate meeting! Between 50/50 drawings, Department "Penny Wars" and "Pie Wars", Oliver employees managed to raise well over their expectation!

A generous contribution will be given to each organization.

Thank you Oliver Fire Protection & Security!
